Sheriff Apprehends Men On Robbery Suspicion

Two Greenfield men suspected of planning a robbery at the Elks Annual Indoor Picnic were apprehended last night by the Pickaway County Sheriff's Department.

Approximately 170 persons were inside the N. Court St. lodge when the men were taken into custody at 10:15 p. m.

Being held here are Kenneth E. Dorman, 31, and Robert D. Lemmons, 19. They were apprehended in their car which was parked in a secluded spot behind the Elks.

The suspicious auto was spotted by Harry Coss and other Elks members who immediately notified Deputy Sheriff Robert Hoover who was off duty and on his way home.

A SEARCH of the car by Hoover

and Coss uncovered a large amount of possible burglary equipment. Found in a sack under the front seat was a loaded .45 caliber pistol, a rubber mask, a blackjack and several strands of thin-gauge wire. A handkerchief folded in the shape of a mask also was on the front seat.

In the trunk of the car, Hoover and Coss found another handkerchief-type mask, two pairs of coveralls, a pair of surgeon's rubber gloves, several hats and several ball bats.

Dorman and Lemmons and their equipment were taken to the Pickaway County jail where both men underwent extensive questioning. The sheriff's department is continuing the investigation today.

A character investigation by Sheriff Charles Radcliff revealed

that Dorman has served jail terms for armed robbery, one for a stick-up in Ross County about three years ago.

Sheriff Radcliff and deputies were busy today checking leads which possibly may involve other persons who were seen in the area of the Elks home yesterday.

Lemmons told Sheriff Radcliff that he and Dorman arrived in Circleville at about 10 p. m. yesterday. According to the sheriff, Lemmons said he and his companion intended to slip into the Elks to watch the indoor picnic activity.

Deputies said the equipment found in the car apparently indicated that the men aimed to get inside the building for a wholesale stick-up.

Senate Passes Education Bill

23,000 Scholarships To Be Awarded Yearly

WASHINGTON (AP) — The Senate has passed a broad federal aid to education bill designed to help meet the challenge flashed by Soviet scientific advances.

The bill was passed 62-26 Wednesday night after a session lasting 14 hours. While generally similar to a measure passed by the House last week, there are differences that remain to be compromised.

Cost of the Senate bill was estimated at about \$1,300,000,000. The House measure would cost about \$10 million dollars.

A feature of the Senate bill is provision for the award of about 23,000 college scholarships annually to outstanding students, particularly in the fields of science, mathematics and foreign languages.

The House eliminated competitive scholarships voting instead to earmark the money for a student loan program.

The Senate, however, scaled down the amount of scholarship awards provided in its bill by adopting 46-42 an amendment sponsored by Sen. John S. Cooper (R-Ky).

The amendment would limit individual scholarship grants to \$250 a year, or a total of \$1,000 for four years of college. But it would permit needy scholarship winners to borrow up to \$750 a year from the government.

The bill, as recommended by the Senate Labor and Public Welfare Committee, provided for scholarship grants of \$500 a year, plus additional grants up to \$500 a year based on need.

The effect of Cooper's amendment was to reduce the estimated cost of the scholarship program from 280 million dollars to 80 million.

Nationalists Claim 2 MIGs Downed

TAIPEI, Formosa (AP) — The Chinese Nationalists claimed they shot down two Communist MIGs and possibly a third today in a battle over Formosa Strait.

The battle was fought 15 to 20 miles south of the Nationalist held island of Matsu, off the Communist mainland. It was the first big clash since MIGs shot down two Nationalist F84 Thunderjets July 29.

Nationalist forces have been in a state of emergency because of a reported Communist military buildup on the mainland opposite Formosa.

Steel Production Now Below 1957

NEW YORK (AP) — The American Iron and Steel Institute reported today that steel production totaled 6,370,000 net tons during July and 44,122,487 tons for the first seven months of 1958.

These figures, the institute said, compared to 8,908,732 net tons produced during July of 1957 and 69,492,279 for the first seven months of last year.

London Area Manhunt Ends As Pair Surrenders Meekly

LONDON, Ohio (AP) — Two Baltimore, Md., men, identified as the pair who held an elderly spinster and her nephew hostage in their farm home for more than 10 hours, surrendered meekly to London police today.

They were apprehended after an alert constable spotted one of the two, disheveled and mosquito-bitten, sitting in a London restaurant. The other man was picked up walking on a London street.

The capture ended an intense manhunt that began early Tuesday after two men robbed a Me-

Moon Rocket To Send Back Data on Trip

INGLEWOOD, Calif. (AP) — A rocket's own story of its trip toward the moon is scheduled to unfold in an auditorium here.

Informed sources say the Air Force will fire its first rocket at the moon next Sunday from Cape Canaveral, Fla.

Once the rocket flashes into space, its scientific devices will send back information about the historic journey.

Half a dozen stations around the world will start tracking it. They are in Manchester, England; Singapore; India; Hawaii; Florida; and California.

Their raw information will be flashed here by code to be fed into electronic computers and correlated.

The findings will be announced simultaneously in Washington, Cape Canaveral and here.

The tracking hub is in the heart of the Ramo-Woodbridge Corp. complex, where the Air Force Ballistic Missile Division makes its headquarters.

As soon as progress reports and other data from the rocket are compiled in Ramo-Woodbridge's space technological laboratories, they will be announced in a news headquarters set up in a Ramo-Woodbridge building.

The news center—a big auditorium—will be dominated by a lined screen called a Probograph. On this giant chart, a moving line will disclose the rocket's expected 25,000-mile-an-hour approach to the vicinity of the moon. There will be at least four progress reports a day.

Antiradiation Pill's Value Is Doubtful

BURLINGTON, Vt. (AP) — An American scientist warned today that no antiradiation pill ever will be a match for the H-bomb.

At the same time a French scientist expressed doubt that pills thus far developed are as protective against atomic rays as their makers believe.

Earlier this week Dr. David G. Doherty of the Oak Ridge National Laboratory reported to the International Congress on Radiation Research on a cheap pill which he said could reduce injury from a given amount of radiation by 50 per cent.

Today Dr. Walter Gordy of Duke University cautioned against giving people the "false hope" that they can be immunized against radiations such as would be loosed upon them in all-out hydrogen warfare.

In any event, Gordy said, "they can always make the H-bomb bigger faster than they can make the pill bigger." He said the only good protection against nuclear war is peace.

House Passes Compromise Farm Measure

WASHINGTON (AP) — The House, pressed for action by the farm belt, today passed and sent to the Senate an eleven-hour compromise farm bill.

Yielding to the pressure from farmers and the cotton textile industry, it reversed action of last week to break a legislative stalemate in the closing days of the Congress.

The compromise bill, pronounced satisfactory by the Eisenhower administration and Democratic House leaders, was passed under abbreviated procedure requiring a two-thirds vote.

Passage was by voice vote. The result was expected to provide the Eisenhower administration with much of what it has demanded in the way of lower price supports and more flexible management of the farm program.

It would also forestall an impending cut in cotton and rice acreage which Secretary of Agriculture Benson has said would be disastrous to farmers.

Textile manufacturers faced higher cotton prices in the absence of legislation slashing government price supports for the fiber. They would benefit from a gradual lowering of support levels and a corresponding decrease in market prices for cotton. Thus, they have been among the strongest backers of a compromise.

The end of the House deadlock was announced by House Speaker Sam Rayburn (D-Tex.), who earlier declared there would be no new farm bill in the House after two

U.N. Session Shows Envoys Given 'Scare'

UNITED NATIONS, N.Y. (AP) — The emergency session of the U.N. indicates the world's statesmen have had a scare.

"Sober" was the word used more than any other here to describe Wednesday's opening session on the Arab East. All fully appreciated the gravity of the crisis and the possible consequences from it.

The emergency session now boils down to a three-way contest over the future of Arab nationalism.

The United States is hopeful that this force — President Eisenhower called it "a great surge" — can be persuaded to provide the energy for a stable community of Arab nations. To this end, the United States has pledged support to whatever feasible economic goals the Arabs may feel suit their needs.

The Soviet Union, moving cautiously in a dangerous situation, says it too is in favor of economic betterment of a long-neglected, backward area. But many of its policies have left little doubt that communism would prefer to keep the area in ferment and off balance.

The third contestant is Gamal Abdel Nasser of the United Arab Republic. He cannot yet be absolved of the suspicion that he sees Cairo — and himself — as the eventual master of an enormous strategic slice of the world.

WASHINGTON (AP) — "I've never seen the President so mad. He turned everything upside down in the Pentagon getting to the bottom of it."

That is how a senator describes President Eisenhower's reaction on learning of reports that defense officials are studying the possibility of a U.S. surrender in a nuclear war.

The senator refused use of his name, saying Eisenhower and Defense Department officials had urged secrecy on the matter. There was no immediate comment from the White House or the Pentagon.

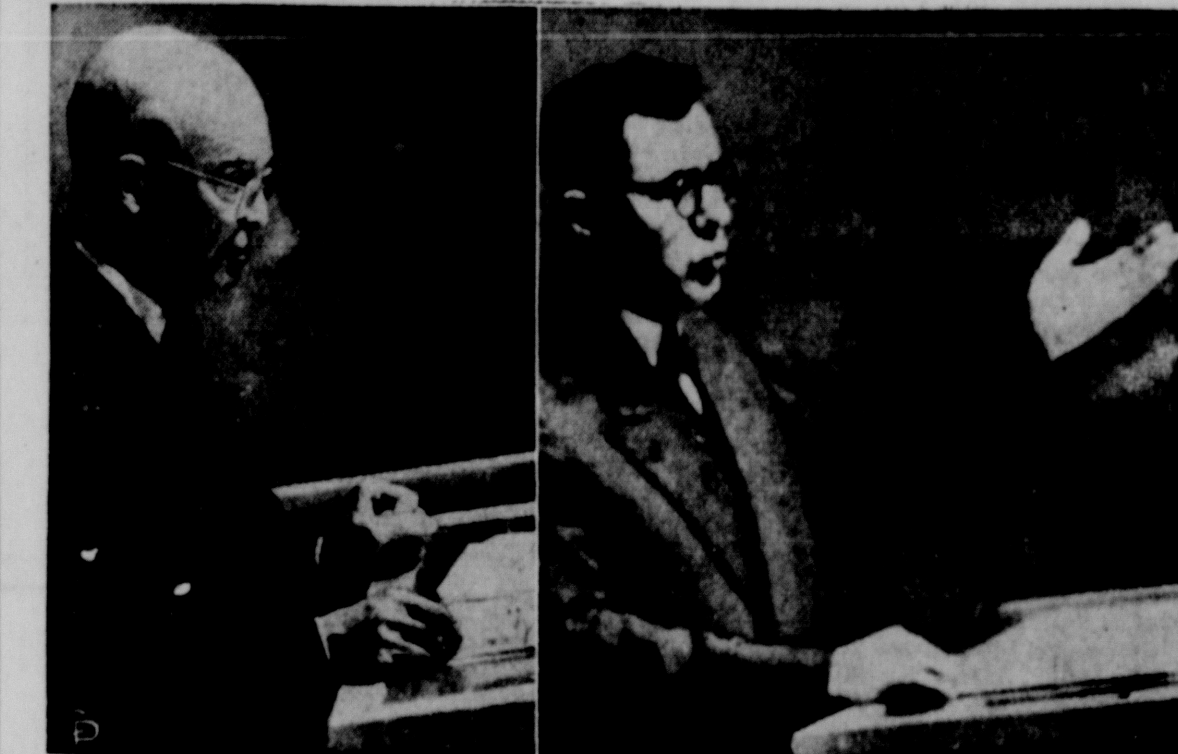

In relating the story Wednesday night, the senator said Secretary of Defense McElroy and other Pentagon leaders had assured the President "there is no thought or plan for surrender and the studies were only theoretical."

The directive for the surrender study, the senator said, was made by John B. Macauley, deputy assistant defense secretary for research and engineering.

It was described as part of an over-all study of all possibilities of a war between the United States and the Soviet Union, including conditions under which either side might be forced to surrender.

Eisenhower, however, flared at the suggestion that U.S. officials were even considering the possibility of a surrender, much less making a study, the senator informed said.

Eisenhower is reported to have first heard of the study from Senate Republican leaders at a White House conference last Tuesday. They were said to have called

ON OPPOSITE SIDES — President Eisenhower (left) urges an emergency session of the UN General Assembly to disregard Soviet "ballistic blackmail" and offered a six point plan for peace in the Middle East. Soviet Foreign Minister Andrei Gromyko (right) renewed charges of American "aggression" and demanded anew that Allied forces withdraw from Lebanon and Jordan.

British OK Ike's U.N. Plan; Rap Gromyko's Statements

UNITED NATIONS, N.Y. (AP) — Britain today welcomed President Eisenhower's Middle East peace plan as a solid foundation for "reconciling our points of view" and achieving constructive results.

The British position was outlined by Foreign Secretary Selwyn Lloyd before the emergency session of the 81-nation General Assembly which was opened Wednesday by Eisenhower.

While throwing Britain's full support behind the President's six-point plan for bringing political and economic stability to the Middle East, Lloyd expressed sharp disappointment over the tone adopted by Soviet Foreign Minister Andrei A. Gromyko in the opening Soviet speech.

Informed quarters said Britain and the United States were in close consultation on a resolution, dealing with part of the Eisenhower program. This was understood to cover some political aspects, including the establishing of conditions which would make possible the withdrawal of U.S. forces from Lebanon and British troops from Jordan.

Of Eisenhower's proposals which include a U.N. police force to keep the peace in the Arab world, the economic aid program was widest initial support. Arab diplomats indicated privately they were impressed with it, although only Jordan — already heavily dependent on U.S. aid — gave it open endorsement.

Jordanian Delegate Monem Rifai told the Assembly Eisenhower's proposals "fill our hearts with hope and satisfaction."

Soviet Foreign Minister Andrei Gromyko, who followed Eisenhower to the Assembly rostrum, said "port to whatever feasible economic goals the Arabs may feel suit their needs."

The Soviet Union, moving cautiously in a dangerous situation, says it too is in favor of economic betterment of a long-neglected, backward area. But many of its policies have left little doubt that communism would prefer to keep the area in ferment and off balance.

The third contestant is Gamal Abdel Nasser of the United Arab Republic. He cannot yet be absolved of the suspicion that he sees Cairo — and himself — as the eventual master of an enormous strategic slice of the world.

WASHINGTON (AP) — "I've never seen the President so mad. He turned everything upside down in the Pentagon getting to the bottom of it."

That is how a senator describes President Eisenhower's reaction on learning of reports that defense officials are studying the possibility of a U.S. surrender in a nuclear war.

The senator refused use of his name, saying Eisenhower and Defense Department officials had urged secrecy on the matter. There was no immediate comment from the White House or the Pentagon.

In relating the story Wednesday night, the senator said Secretary of Defense McElroy and other Pentagon leaders had assured the President "there is no thought or plan for surrender and the studies were only theoretical."

The directive for the surrender study, the senator said, was made by John B. Macauley, deputy assistant defense secretary for research and engineering.

It was described as part of an over-all study of all possibilities of a war between the United States and the Soviet Union, including conditions under which either side might be forced to surrender.

Eisenhower, however, flared at the suggestion that U.S. officials were even considering the possibility of a surrender, much less making a study, the senator informed said.

Eisenhower is reported to have first heard of the study from Senate Republican leaders at a White House conference last Tuesday. They were said to have called

the economic aid program required careful consideration. He insisted, however, that first U.S. troops must get out of Lebanon and British forces must leave Jordan.

Gromyko on Tuesday submitted a resolution asking the withdrawal with U.N. observers to check up on them. The fourth and last speaker at Wednesday's session, Foreign Minister Mahmoud Fawzi of the United Arab Republic, endorsed the Soviet resolution, saying it was moderate and deserved consideration. He made no comment on Eisenhower's proposals.

The subdued tone of Gromyko's speech, like that of the Soviet resolution, surprised Asian and European diplomats. Some expressed hope that the lack of fireworks in both the U.S. and Soviet

presentations presaged a smooth, constructive Assembly session.

Ceylon and India were reported working on separate resolutions calling for withdrawal of the U.S. and British forces.

The Ceylonese proposal also called on U.N. Secretary General Dag Hammarskjold to take steps to get the major powers into a conference on Middle East problems. Hammarskjold had indicated willingness to participate in a big power summit meeting suggested July 19 by Soviet Premier Khrushchev but it fell through.

Whether Hammarskjold himself could drum one up was doubtful. The draft for which India reportedly was seeking cosponsors called on Hammarskjold to make another survey visit to the Middle East, which he last visited in June.

The largest of the measures and the most technically obscure—the revision of the 1954 Revenue Code—would have "negligible" effect revenue-wise, according to the Treasury.

The technical revision bill, however, contained dozens of special benefits for particular groups of taxpayers. It was designed, according to its sponsors, to close loopholes in the law and eliminate unintended hardships and benefits.

Among its provisions, it would give newspapers and magazines the right to spread subscription income for more favorable tax treatment over the period of the subscription, rather than the year the subscription is paid, as at present.

It also would ease the present 10 per cent admissions tax to exempt from tax all admissions less than \$1. Although aimed chiefly at relief for movie houses, the provisions would also apply to such things as ball games but not to horse or dog racing tracks.

PORTLAND, Ore. (AP)—Mrs. Gertrude McCain of Celina, Ohio, was named secretary-treasurer of the National Assn. of County Recorders and Clerks at its annual meeting here.

Police said that what Robert M. Connelly told them after his wife Maxine, 41, complained. She didn't like it when he made her sleep in the chicken coop for three nights either. Connelly drew a 25-day jail sentence.

WASHINGTON (AP) — "I've never seen the President so mad. He turned everything upside down in the Pentagon getting to the bottom of it."

KLM Wreckage Sighted Off Irish Coast

Deaths of All Aboard Would Go Down as Worst in Air History

SHANNON, Ireland (AP) — A KLM airliner with 99 persons aboard crashed off Ireland today, the Dutch airline announced. It said hope for survivors was slight.

The Super Constellation was en route to New York from Amsterdam via Shannon. It carried 91 passengers and 8 crewmen.

The deaths of all 99 aboard would make this the worst disaster involving a single plane in the history of commercial aviation.

Wreckage in the storm-swept Atlantic Ocean was sighted by the British Air Force. KLM gave the scene of the crash as 130 miles west of Ireland.

It said 11 of the 91 passengers were Dutch and the rest American, French, German, Israeli, Polish and British. There were several children aboard.

It was the worst crash in the almost 40-year history of the Royal Dutch airlines.

"Although nothing is known at this moment with certainty concerning the fate of the passengers, we must to our regret estimate there is little hope that there are any survivors," a KLM statement said.

Ships and planes were rushed to the scene in the hope that some may have survived the crash in the stormy Atlantic.

A Trans World Airways pilot reported encountering a terrific squall in the Atlantic off Ireland.

"We hit a very bad squall," said Capt. Everett Wolf after landing in London. "If that KLM plane had engine trouble she really might have been in a bad way."

Wolf said the Dutch plane after taking off from Shannon, would have been in a lower strata of the weather than his plane.

"It was really rough down there," he said.

"We were a bit above the weather, but brother, we felt it. The squalls with rains lasted 25 to 30 minutes."

He said the KLM sky giant may have hit the squalls as it climbed out from Shannon.

Radio contact with the plane (Continued on Page Two)

Birdie Quits As Manager Of Redlegs

CINCINNATI (AP)—Birdie Tebbets resigned today as manager of the Cincinnati Redlegs baseball club.

He announced his decision himself as Gabe Paul, general manager, listened.

Tebbets had been manager of the Redlegs since Sept. 29, 1953.

"This was not an easy decision to make, because I have always felt that a manager should never quit," Tebbets said, adding:

"I had a meeting with Gabe Paul last night after the Milwaukee game and again this morning, at which time he told me that I was not to be fired."

Tebbets said he was not resigning because he felt that he had not been doing a good job, but solely because in my heart, I believe that it is better for Cincinnati baseball that someone succeed me."

Jimmy Dykes, coach, will be in charge of the club until a successor is named, Paul announced.

Cincinnati has had six managers since Bill McKechnie resigned in 1946 after leading the club for nine seasons. Johnny Neun managed in 1947 and 1948. Buckey Walters took over for 1949, then came Luke Sewell for two full seasons, and part of a third.

Sewell was succeeded by Rogers Hornsby. Then came Tebbets.

It has been rough going for Tebbets all season, and the climax came when the team dropped into last place in the National League following a double defeat by Milwaukee Wednesday night.

First Marine Unit Sails from Beirut

BEIRUT, Lebanon (AP) — The first element of the withdrawing American Marine battalion sailed from Lebanon shortly after noon today, presumably to rejoin the 6th Fleet patrolling the eastern Mediterranean.

The beaches were cleared of the supplies of the 2nd Battalion of the 2nd Division—a 1,700-man force under orders to withdraw from Lebanon after a stay of nearly a month. The withdrawal is scheduled to be completed Friday.

Business To Be Better Here As Well as Out in Space

EDITOR'S NOTE: Following is the third in a series of articles on what the distant future holds for mankind as the result of advances by science.

By SAM DAWSON
AP Business News Analyst

A bigger America—that's for sure. A better America—that's for us to decide. But chances are it will be better. And it might even be fantastic—for business right here at home as well as on space platforms and in colonies on the moon.

Growth of American business in the space age can be charted from figures we have today. We know there will be more people and therefore more needs. We know that research going on today will be able to meet these needs—and doubtless a lot of desires which right now we don't even know we'll have.

The business of meeting these demands and of spawning and then cultivating new desires—that's what the industrialist, the worker, the salesman will be up to when the next generation takes over.

There will be more jobs, more income per family. There is sure to be more youngsters to feed and

ducate, more cars to crowd more highways, more oldsters for the travel, entertainment and health industries to cater to, and a still higher percentage of Americans owning their own homes.

If you think the world of the consumer is already going electronic, antibiotic, nuclear and jet propelled—you haven't seen anything yet.

A single meal in one pill could be on the market a generation hence.

TV screens that hang on walls seem sure soon to be a salesman's item.

Stop worrying about leaving the windows open when you go out.

Saltcreek Valley

The following spent Sunday with the Luckharts in Circleville: Mr. and Mrs. Charles M. Huffman and daughter, Miriam, Mr. and Mrs. Jack Rickman, all of Portsmouth and Mrs. O. S. Mowery.

Mrs. Etta Aldenderfer of Columbus, Mrs. H. E. Balthaser and Mrs. Ona Walker of Turlington, Mrs. Dora Reichelderfer and Mrs. Lee Bockert of our Valley and Mrs. Marie Grabill of the camp ground spent Tuesday with Mrs. Nellie Mowery at her cottage at the camp ground.

Mr. and Mrs. Francis Fraunfelter entertained the following Saturday evening: Mr. and Mrs. Robert Collins, Mr. and Mrs. Ned Strous, and Mr. and Mrs. Max Luckhart.

The "Town and Country Club" and their families and Mr. and Mrs. Russell Jones enjoyed a picnic Sunday at their cabin and pond.

Mr. and Mrs. Orley Judy entertained the Tri-County Council Tuesday evening. All members present and a lunch was served.

Mr. and Mrs. David Luckhart entertained the Grandparents, Mr. and Mrs. Clarence Maxson and Mr. and Mrs. W. E. Luckhart to supper Monday evening in honor of the first birthday of Tania Renee.

Windows that close when it rains are nearing the drafting boards. You're barely used to blankets that heat as the temperature falls, before it's time to get ready for ones that cool you off on a hot night.

Radios powered by the sun are just around the corner and may be stars that steer themselves.

These are a few of the new things ahead for businessmen to make and sell.

Now for the reasons that America is going to get bigger and more crowded and therefore need so much more of the things you already use or know about:

You have only to project into time the millions of youngsters already born but still under marriage age to know that there will be a lot more families and a lot more middle-aged productive workers 10 and 20 years from now. True, marriages and birth rates rise and fall as times turn exceptionally good or exceptionally bad.

But remember, two million youths now turn 18 each year. Ten years hence there will be four million a year. And there's no reason to believe times will be bad in 1968.

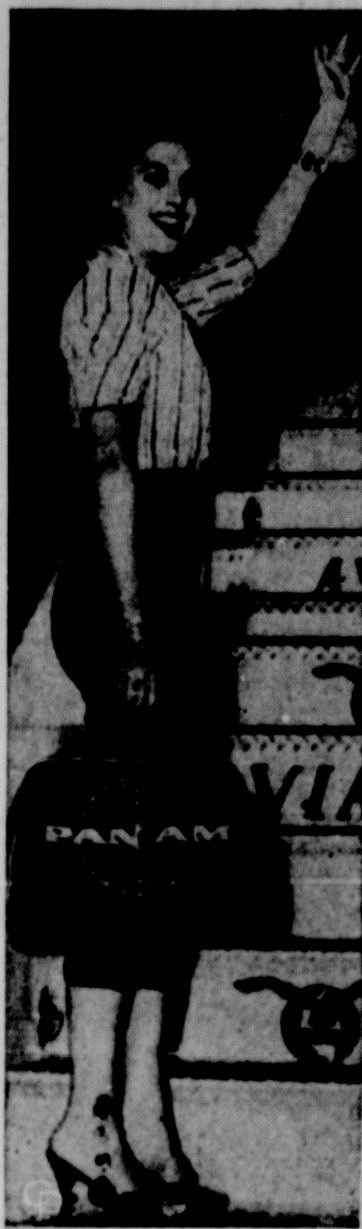

There are 114 million persons now of driving age, and based on the known figures of present population there will be 132 million in 10 years. The auto industry confidently expects that the present 6 million families having two cars will have swelled to 12 million by then.

Industry leaders predict that just to take care of the greater population 15 years from now, with its added needs plus the added desires they intend to create, there will have to be 22 million more jobs. That will call for more business firms to make and distribute the growing total of production.

At its average rate of over the last 15 years, the gross national product (the dollar value of the total output of goods and services) will go from its present 432 billion dollars annually to more than 700 billion dollars in the next 15 years.

All that money kicking around sound exciting? Just stick around and maybe you'll have a bigger hunk than your present share of it.

2 Men Hurt As Training Balloon Falls

ASHLAND, Wis. (AP)—The crash of a training balloon gondola Wednesday night injured a balloon builder and an Air Force researcher who was preparing for a solo flight to test man's reaction to isolation in space. The test was postponed.

Capt. Grover Schock, 32, and Otto C. Winzen, 40, suffered extensive injuries when their open gondola plunged 100 or more feet from the balloon as it headed out over Lake Superior. They apparently released the ball-shaped gondola rather than be blown over the water in darkness. They smashed into a pasture half a mile inland when the gondola's parachute failed to open.

The pair had ascended from St. Paul, Minn., 175 miles southwest

Columbus Area Electricity Fails

COLUMBUS Ohio (AP)—An electric power failure crippled part of Columbus and Franklin County Wednesday and the worst part of it was that it happened in the busiest two hours of the afternoon. Lights all over town went off at 1 p.m. and didn't go on again until 3.

of Ashland, Wednesday morning. The flight was made so that Winzen could qualify Schock for a stratosphere takeoff.

Schock was scheduled to start his 20-mile-high flight Thursday morning from an open pit mine near Crosby, Minn.

An Air Force officer said in Minneapolis that the flight had been postponed indefinitely, but will be carried out at some future date with a replacement for Schock if the officer is not able to make it.

Pair Accused In Giveaway Of Child, 3

COLUMBUS Ohio (AP)—A young mother and her common law husband, accused of giving the woman's daughter away to another man, are being held today on a charge of child neglect.

Police said the man who took the girl beat her and caused welts to form on her body. Both he and his wife are missing, officers said.

Held here are the girl's mother, Mrs. Shirley Hunt, 22, and James Earl Stamp, 27, described by police as Mrs. Hunt's common law husband.

Officers said the couple gave the little girl, Jacqueline, 3, to William Matson, 34, three weeks ago. Officers quoted Mrs. Hunt as saying she didn't want Jacqueline because she didn't mind.

Matson and his wife, Nelle, 21, have disappeared police said.

Mrs. Hunt is divorced from Jacqueline's real father. He lives in Canton, police said, but cannot be located.

Rebecca Circle Holds Meeting

The Rebecca Circle of the First EUB Church met in the service Center Monday evening with 12 members and three guests present.

Mrs. Clydus Leist, president, was in charge of the business meeting. The opening prayer was given by the Rev. O. F. Gibbs, Mrs. Cecil Porter read the 27th Psalm for the scripture lesson. During the business meeting, a donation was made to the church projector fund. Mrs. Myrtle Trimmer, sales tax stamps chairman, asked that all stamps be turned in to her immediately.

Mrs. Hazel Metz was in charge of the program. Several readings were presented. "Don't Wait to Pray," was the reading given by her. Mrs. Harry Styers read "Within My Heart," Mrs. Roy Groce, "Be a Christian" and Miss Clara Lathouse, "Only a Housewife."

Mrs. C. O. Kerns gave the closing prayer. A contest was presented with Mrs. Leist the winner.

At the close of the meeting, refreshments were served by Mrs. Metz and Mrs. Ronald Nau.

MISS KAY E. GRAEF

Miss Kay Graef To Receive Cap, Diploma

Miss Kay Eileen Graef, daughter of Mrs. Christina R. Graef, Piqua and H. E. Graef, Circleville, is a member of the graduating class of the Miami Valley Hospital School of Nursing, Dayton.

She will receive the traditional cap and diploma at exercises to be held at 8 p. m. Thursday, August 21, in the auditorium of the National Cash Register Company.

The main address will be given by Capt. Leona Jackson, Union, O. Miss Graef, a 1955 graduate of Circleville High School, was chairman of the publicity committee of the Student Government Assn. in her senior year in the School of Nursing and active on various committees. In high school she was a member of the English Merit Society.

Baccalaureate Service for the class will be held at 7:30 p. m., Sunday, August 17, in the South Park Methodist Church in Dayton. Miss Graef has accepted a position on the Staff at University Hospital, Columbus.

Personals

Miss Georgie Spencer, Jackson, spent a few days with her grandmother, Mrs. Myrtle Southard, 487 E. Franklin St.

Carry-In Supper Honors Newlyweds

A neighborhood carry-in supper was held Tuesday evening on the lawn of Mr. and Mrs. Richard Penn of Springhollow Road, honoring the newlyweds, Mr. and Mrs. Phillip Heise. Mrs. Heise is the former Miss Betty Ann Matz.

Those present for the affair were Mr. and Mrs. Kenneth White and daughter, Vickie, Mr. and Mrs. Jim Carr and children, Cindy, Brad and Beth, Mr. and Mrs. Howard Wellington and sons, Jimmy and Bob.

Mr. and Mrs. Roscoe Warren and son, Ronald, Mrs. E. K. Black and daughter, Miss Carolyn Black, Mr. John Matz, Mrs. L. M. Wuest and daughters, Carol, Susie and Debbie, the honored guests and the children of Mr. and Mrs. Penn, Marilyn, Katherine and Stephen.

MRS. ELMER L. WINNER

Miss Betty Allen Bride Of Mr. Winner July 26th

The First Wesleyan Methodist Church of Maryville, Tenn., was the setting for the 8 p. m. July 26 wedding of Miss Betty Janette Allen to Mr. Elmer L. Winner.

The Rev. L. W. Whisner, Rockport, Ind., performed the ceremony before an altar decorated with mountain fern, ivy, white gladioli and cathedral candelabra.

The bride is the daughter of Mr. and Mrs. Winston G. Allen, Alcoa, Tenn. and Mr. Winner is the son of Mr. and Mrs. Paul Winer, Circleville.

Prenuptial music was presented by Miss Peggy Swafford, organist and Mr. Bob Hiler, vocalist. Selections presented were the traditional marches, "O Jesus, I Have Promised Thee," Saviour, Like a Shepherd Lead Us" and "Seal Us Holy Spirit."

Given in marriage by her father, the bride wore a gown of tulle and taffeta designed with a portrait neckline. Long sleeves came to points at the hands and the bouffant of tulle was applied with self material and extended into a cathedral train.

Her fingertip veil of illusion was

caught to a crown of seed pearls and sequins. She carried a white Bible topped with an orchid.

Miss Martha Scarbrough, Maryville, Tenn., was the maid of honor. Miss Marlene Watchorn, Cincinnati, served as the bridesmaid. They wore identical princess style gowns of aqua crystalettes trimmed with aqua velveteen.

Each carried bouquets of yellow roses and carnations.

Debbie Whisner, flower girl, wore yellow crystalette and carried a white lace basket with yellow rose petals.

Mr. Teddy Hughes, Dry Ridge, Ky., was the best man and Mr. Kenneth Allen, brother of the bride, seated the relatives and guests.

Following the wedding ceremony, Mr. and Mrs. Allen entertained at the Steelworkers' Union Hall with a reception using gladioli for decorations.

Hostesses for the occasion were Mrs. Stella Scarbrough, Miss Emma Ruth Ramsey, Miss Opal Rose, Mrs. Ruby Moore and Miss Woody Carole Scarbrough.

Following the reception, the couple left for a wedding trip of undisclosed destination. When they returned, Mr. Winner will go to his base at Fort Knox, Ky. and the new Mrs. Winner will remain with her parents for eight weeks and then will join her husband.

Mrs. Delong Hosts For Annual Picnic

The Pitch-In Sewing Club will hold its annual picnic at noon Sunday, August 17, at the home of Mrs. Nora Delong, Route 22.

Wife Preservers

Handy, easy-to-make gift for a new mother is a terrycloth stole with pockets to hold baby gear.

Old Officers Relected for Women's Group

The Five Points Women's Christian Temperance Union held its annual picnic Wednesday at the home of Mrs. Guy Willis, Mt. Sterling.

A covered dish dinner was enjoyed in the basement of the home at 12:30 p. m.

Mrs. Francis Furniss, president, lead the devotionals and conducted the business session, which followed.

Election of officer was held and old officers were reelected for the coming year. Mrs. Francis Furniss will serve as president; Mrs. Loring Stoer, vice president; Mrs. Lloyd Neff, secretary and Mrs. Herman Porter, treasurer.

The next meeting date has been changed to September 3, the first Wednesday of the month due to the Pickaway County Fair.

Hostesses will be Mrs. Neff and Mr. Arthur Winfough.

Mrs. Gerhardt Honored with House Warming

A surprise house warming was held on Mrs. Dorothy Gerhardt, 111 N. Atwater Ave. Monday.

A gift was presented to the honored guest.

At the close of the evening refreshments were served to the following: the honored guest, Miss Pauline Reese, Mrs. Thelma C. Pryor, Mrs. Jane Hoover and Mrs. Emory Vaughan.

Carry-In Planned By Guild No. 20

Berger Hospital Guild No. 20 will meet at the Jackson Twp. School at 1 p. m. Wednesday. The afternoon will be spent in sewing. A carry-in dinner will be held in the evening followed by the business meeting.

Open Church

Miss Barbara Pontius, St. Petersburg, Fla., will become the bride of Mr. Robert Boggs, E. Franklin St., in an open church wedding at 2 p. m. Saturday in the First Methodist Church.

Honey, used in cookies, often adds a chewy quality.

LEFT TO RIGHT: Mrs. Marjory Carothers and Mrs. Dale DeLong, both of Circleville; Abram Saboleh, Africa and Sanford G. Price, Woodville.

'Saboleh Fund' Climaxed By Local Women's Society

Approximately 100 persons were present in Calvary EUB Church Sunday evening to help climax a project started just one year ago by the Local Women's Society of World Service Groups. This project is a "Saboleh Fund."

Abram Saboleh, an African from Sierra Leone, West Africa, has been for the past four years, an Agricultural Student at Ohio State University. He graduates sometime the latter part of August.

The "Saboleh Fund" was started with one thought in mind—that he use the fund to purchase any farm equipment or other needs to aid the people to better and healthier living.

The program of the evening was as follows:

Organ selections by Mrs. Earl Millions; welcome by Mrs. Manley Carothers, president of the local WWSG; group singing hymn: "I Love To Tell The Story"; roll call with representation from the following churches: 2nd Baptist, Morris EUB, First EUB, Cedar Hill, St. John, St. Paul, Pontius EUB and Calvary EUB.

A reading, "I Know What God Is," and prayer were given by Mrs. Carothers. Mrs. Andrew Goeller presented a vocal number. The speaker of the evening, Sanford G. Price was introduced.

Harold Nagel Guest Speaker For Jaycees

The Junior Chamber of Commerce Wives Club held its regular meeting Tuesday evening in the club rooms with 14 members and one guest, Mrs. David Hoffman, present.

Mrs. J. I. Smith III and Mrs. Robert Phillips were introduced as new members. The group made plans to hold a bake sale Friday, August 29, between the hours of 3-9 p. m. The location of the sale will be announced later.

It was reported that a school lunch would be continued for one child during the school year and the club plans to make a donation to Mr. George Hartman, superintendent of Circleville Schools, for the special education fund.

The next meeting will include a tour of Mount Oval, the home of Mrs. Bernard Young, Route 1. It is one of the hundred historic homes in America.

At the close of the meeting refreshments were served by Mrs. Romaine Wilson and Mrs. Jack Winkert.

The group then adjourned to the Circleville Fast Freeze, where Harold Nagel took the members on a tour of the plant.

Following the tour, Nagel demonstrated how meat is cut and to identify the different cuts of meat. He also explained how to detect good buys in meats.

Delegates Chosen

Mrs. William Smith, John St. and Mrs. McClellan Clark, Faye Ave., are the elected delegates from the local church to the 50th Annual District of Ohio and the 6th General Council of the Churches of Christ in Christian Union.

The meetings will be held at the Circleville Mount of Praise campgrounds August 19-22.

Alternate delegates are Mrs. Arthur England, S. Pickaway St. and Mrs. Grace Moats, Park St.

OPEN FRIDAY and SATURDAY NIGHTS TILL 9 P.M.

SHORTER SKIRTS show off legs, so choose stockings with care. Seamless hose look smart in neutral beige shade.

New Look in Hemlines Calls Attention to Legs

After years of longer lengths, hems are higher again. It's surprising how quickly the idea catches on. It can be pretty!

In Athens, for example, the short skirts being worn are full ones, puffed out by petticoats. They're amazingly becoming giving women a "little girl" look that's most bequiling. Even full figures are flattered by this fashion for a wide skirt makes a waistline seem narrower and a short skirt gives legs that longstemmed look.

In Paris version of the short skirt is extreme and not so attractive. Skirts are slim and all too short. Knees are showing, and who has pretty ones?

When adapting your wardrobe to this new look and, like the four March girls in "Little Women" we're all going to be spending a great deal of time turning hems, be sensible.

If legs aren't of pin-up proportions, adapt your hem length accordingly. The longer look is a wise choice if you want to detract from bow legs, heavy legs or too thin ones. Don't go too high even

if your legs are beautifully shaped. Knees must never show.

SINCE LEGS are in the limelight, do all you can to keep them pretty. Remove fuzz and be certain that skin is soft and smooth. A little lanolin lotion smoothed over legs works wonders.

Watch those colored stockings. If the shade is too vivid or too deep, it won't flatter skin tones. Bright red and deep navy nylons, for example, do wicked things to veins in feet; they spotlight them.

If veins are large, you'd be wise to take your red and blue nylons in subdued shades that offer just a hint of tint.

Colored stockings should be matched to your outfit. Red-tinted nylons are the perfect touch with a red dress or a red-patterned print. Worn with clothes of other colors, they're apt to prove a bit bizarre.

When in doubt, your best bet is to stick to neutral nylons. They don't shout for attention.

If you can't keep seams straight, switch to seamless hose. They solve your problem!

DEAR MARY HAWORTH: May I ask you some questions—sparked by your reply to the gallant P.Y., who nearly lost her atavistic Tony to a German Siren?

Why do the Tonys of the world, when confronted with a stock-taking about their mixed-up feelings for the wife and the "other woman," generally favor a middle course designed "not to hurt" the other woman?

Why are they always so conscious of HER hurt, and seemingly oblivious of the mortal wound they have inflicted on the wife? Why do they seem to feel they have great obligation to their partner in sin, even to the extent of inflicting continuing injury on the lawful wife?

Are they completely anaesthetic to the sometimes-almost-fatal anguish suffered by the wife they have promised to love, honor and cherish? When sin-dragged, do they develop logic-tight compartments in their brain, that paralyze their sense of justice? Or is the sentimental argument simply an excuse for continuing self-indulgence?

And what is your advice to American girls—who now outnumber

by several millions the marriageable men in this country—as to the best way to compete with the primitive come-hither of the European female?

DEAR G.P.: Why are they seemingly so much more solicitous of the other woman's feelings, than of the wife's? Well, could be that from Tony's view, the wife is already much better protected from the savageries of life, than the "outside" other woman. Mindful of the judgment of the world in these matters, and the cynicism of other men towards the fallen woman he may feel an obscure but terrible guilt-sense about the harm he has done her, irresponsibly.

As for how American girls can get their man, from a rapidly dwindling supply in the local reservoir, where European women are fishing also, there is, of course no categorical answer. As somebody once said: "Every woman is on her own, when it comes to getting a man." However, I happen to believe, as you evidently do, that perseverance in prayer opens doors that lead to successful living.

M.H.

Mary Haworth counsels through her column, not by mail or personal interview. Write her in care of this newspaper.

Weekly Food Review

By THE ASSOCIATED PRESS
Ham or chuck roast will be the choice facing many housewives this week as they pore over the advertisements of the nation's supermarkets and neighborhood grocery stores.

Ham and other pork cuts have become a little cheaper recently, with hopes of bigger and better bargains to come in the fall and winter. Fattened, spring-born pigs are coming to market from a crop 2 per cent bigger than last year.

Wife Preservers

A stiff shirt collar is easy to button if you wet the tabs slightly.

Beef prices are 2 to 10 cents a pound lower in some areas this week, but this is expected to be only a flash in the pan. Beef output so far has run below 1957 due to a 9 per cent reduction in cattle slaughter. For the remainder of the year fed cattle slaughter will likely be heavier, and that of grass-fattened cattle lighter, than 1957. Prospects are for larger supplies of choice grade beef cuts than in the last half of 1957 and less of both the lower grades and processing beef.

Egg prices are down two to six cents a dozen in many places, probably because of cooler weather.

Fresh vegetables and fruits still enjoying a banner season, remain plentiful and cheap.

Heading the vegetable list this week are cabbage, onions, potatoes, sweet corn, peppers, lettuce, squash, snap beans, tomatoes, eggplant, carrots, topped beets, radishes, green onions and cucumbers.

Watermelons rate as the out-

At Our House

By GRACE B. FREEMAN
Buddy has fixed a make-shift tree house in the big oak out back. It's just a batch of haphazard boards held together by an occasional nail and bits of wire.

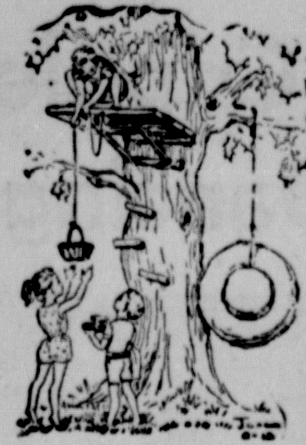

He spends hours up there while Penny and Skippy, earthbound by age and orders from us, obediently run errands for him. The back door at our house has been slamming constantly, as they come in to relay the Great Tree Sitter's latest request.

Sometimes it's a fresh supply of peanut butter sandwiches, or his latest comic book, or a piece of old sheet and some crayons so he can make a flag.

An old basket has a rope tied to its handle and thus serves as an elevator of sending things up to him.

Finally, tired of being interrupted in my work, I announced: "You can just tell Buddy he can jolly well come down out of that

standing buy among fruits this week. Peaches also are a good bet.

tree and get his own drink of water. I'm busy!"

Penny and Skippy looked at me in astonishment and disbelief. "Why, Mommy! You mean you don't want Buddy to set the world's record for sitting up in a tree the longest?"

4-H CLUB NEWS

By Clarence Cunningham
Associate County Agent

Logan Elm Sunny Sewers
By Beverly Bower
President Patty Moats presided over the 13th meeting of the Logan Elm Sunny Sewers.
Carol Davis led the club in the 4-H pledge and the pledge to the flag. Twenty-six members answered the roll.
Health leader, Janet Grissom, read a card on first aid. Sharon Sharrett, Safety leader, showed a film "A Closed Book".
Refreshments were served by the Junior Leaders.

Deercreek Livestock Club
By Peggy Clark
The seventh meeting of the Deercreek Livestock 4-H Club was held Monday, July 7 at the Williamsport Fire House.
The meeting was opened with the 4-H pledge led by President Paul Dean. Shirley McDaniel was picked as our contestant for the Ohio Pork Queen. Plans were made for our tour which was to be July 29.

Following the business meeting, Clark Hunsinger showed a movie about Purina test feeds.
The next meeting will be a tour through the Purina Mill in Circleville.

Saltcreek Livestock Club
By Gene Jordan
The eighth meeting of the Saltcreek 4-H Livestock Club met at the Saltcreek School at 8 p. m. August 1, 1958. The meeting was brought to order by President Dwight Beougher. The roll was called and the minutes of the last meeting were read by secretary Marvin Reichelderfer.

There were 22 members and three visitors present. The refreshments were served by George Cox, David Elick, and Richard Dresbach.
The next meeting will be at the Saltcreek School on Aug. 15, 1958 at 8 p. m.

Sew Straight Teenettes
By Sandy Ward
The first July meeting of the Sew Straight Teenettes was held at the home of Susan and Bobbie Blue.

The meeting was opened by Junior Leader, Jo Goldschmidt, with pledges to the American and 4-H flags.
Jo Goldschmidt gave a demonstration on how to arrange rolls attractively in a basket. For National Safety Week, our club set up a display in the G. C. Murphy window. Refreshments were served by Susan and Bobbie Blue.

Mrs. Wertman checked all of our projects to see that they were ready for grading which was to be held at the Goldschmidt home July 30.

Dun Valley Equitation Club
By Marilyn Moore
The Dun Valley Equitation Club held a meeting Sunday August 3 at the Fairgrounds. All members were tested on their skills at trotting, posting, cantering and addressing the reins in the correct form. Also members were tested in riding in figure eights at a trot and a canter.

Doctor Dunlap announced that all members would attend a tour to Chillicothe to watch an equitation class. The members will leave Thursday morning at 8:30.

Monroe Stitches and Bakettes
By Judy Dennis
Sue Dennis, president of the Monroe Stitches and Bakettes, opened the July 24 meeting, with Janet Blankenship leading the 4-H pledge.

Judy Dennis read the minutes of the previous meeting and roll call was answered by members naming their favorite sport.
Judy Dennis gave each member "Back the Attack," safety stickers to be placed on their cars.
Jo Anne Seibel had charge of the

recreation which was enjoyed by the first and second year girls. Other members sewed on garments.
Coffee cake and sandwiches were served by the advisors.

The Monroe Stitches and Bakettes and The Future Farmers of Monroe Picnic
By Judy Dennis
Approximately 65 4-H club members and parents attended the club's picnic on July 29 at Gold Cliff Park.

Several members came to enjoy the afternoon of swimming. Other members and parents attended and a lovely picnic supper was enjoyed by all.
The remainder of the evening was spent in roller skating and visiting.

Pickaway Livewires
By Joe Goeller
Fourteen members were present at the eighth meeting of the Pickaway Live Wires at Pickaway School. A safety speech was given by Jim Haral. The next meeting will be held Thursday, August 14.

Westfall Livestock
By Clark Miller
The Westfall Livestock Club held its annual picnic at Gold Cliff Park Sunday evening July 20.

The regular meeting of the club was held July 29 at the Wayne Twp. School. The meeting was opened by repeating the 4-H and U. S. Flag pledges. After roll call and collection of dues the members held a discussion on what to do for a community project. It was decided to test the water at all members' homes.
Darrell Carter, Richard Greene and Clark Miller were selected as a judging team to attend Dairy Day at Wooster.

Duvall Busy Fingers
By Lucy An Vause
Linda Baum and Judy Ross were hostesses for the 10th meeting of the club at which each member reviewed his project situation. Twenty-three members, the advisors, Mrs. Baum and Mrs. Newton, and five visitors were present. All were pleased to hear the report that Carolyn Newton had won the County Safety Speaking Contest and was scheduled for the district contest at Hillsboro.

A report was given on the recent bake sale and plans were made for the annual picnic to be held with the club judging meeting.
The 11th session was the annual club judging and a picnic supper which was enjoyed by 27 members, the advisors, parents, and friends.
Forty-five different projects were reviewed and graded by County Agent Mrs. Sayre and observed by the guests.
During the brief business meeting, Velma Alice Kuhn, chairman of the tour committee, reported on the tour as scheduled for August 13. Mrs. Baum told about county placement reviews—August 12 and 14.

Dun Valley Equitation 4-H Club
By Brenda List
The Dun Valley Equitation 4-H Club recently visited the Charles Black Cedar Wood Stables. We were required to post, change diagonals, do correct canter leads and were further instructed on the finer points of equitation.

On August 10 we met at the Fairground for our regular meeting and again practiced proper equitation.
We expect to meet every Sunday afternoon until Fair time, for practice riding.

Pickaway Beef & Sheep Livestock Club
By Pam Miller
The sixth meeting of the Pickaway Beef & Sheep Livestock Club was held at Pickaway Twp. School.

Local Student Enrolled at Mexico City

In order to supplement his college education with first-hand knowledge of life in a foreign country, K. Garrett Mason, son of Mr. and Mrs. Karl Mason, 302 Watt St., is studying at Mexico City College for the summer quarter.

Since MCC is the only liberal arts college in Latin America following the United States standard curriculum, Mason finds himself in a foreign country but not in a strange academic world.

The American college in Mexico was founded 18 years ago as a private, non-sectarian, non-profit institution offering courses leading to both the B.A. and M.A. degrees.

The meeting was called to order by President Rose Burris. The 4-H pledge was given by Billy Spiller. Reports were given by Secretary and Treasurer. A report was given by Brad Huffines on "Beef Fitting."

All of the courses are taught in English by a faculty composed of scholars representing Universities in Europe as well as North and South America.

Because of its location, MCC can offer its students an insight into the historic progress many cultures. The ancient Toltec pyramids, the castles and cathedrals of the Hispanic period, and the archeological diggings at Cuicuilco are easily accessible from the school. In addition, the modern

theaters, museums, and art exhibitions are only a few minutes away.

Mason graduated from Circleville High School in 1953; later he attended the Ohio State University and is at present attending Kenyon College in Gambier.

A political science major, Mason has his classroom work supplemented by regular visits to the many export-import houses and diplomatic delegations in this capital.

Benson Can Claim Program Success

WASHINGTON (AP)—Secretary of Agriculture Benson was in a position today to claim a degree of success for his dairy price support program.

Last spring, the secretary reduced dairy supports to the legal minimum. He said that was necessary to discourage further expansion in milk production at a time when too much was being produced.

A department report showed today that a long uptrend in milk production has been halted. Production for the first seven months of this year totaled 78,375,000,000 pounds, down 236 million pounds from the like period last year.

A&P Honors Claude Kifer

Twenty-five years of service in the food industry is being celebrated today by Claude R. Kifer, manager of the local A&P Food Store.

Vice President Howard B. Freeland, in charge of the Columbus region, honored Kifer with presentation of substantial company recognition and a leatherbound, embossed certificate of membership in the A&P Quarter Century Club.

Kifer joined A&P as head of a meat department in a store at Altoona, Pa., and subsequently served at Beckley and Charleston in West Virginia, and Zanesville, Mt. Vernon and Galion, Ohio, before becoming manager at Circleville in 1946.

He lives with his wife and their three children at 234 Cedar Heights Road.

Wooster Leader Dies

WOOSTER, Ohio (AP)—Joseph Cohan, 59, board chairman and general manager of Holmes Const. Co., died of a heart ailment Wednesday.

Dem Leader Selected

CLEVELAND (AP)—Cleveland's new public utilities director is Bronis J. Klementowicz, Democratic majority leader of City Council.

Invisible Light Finding More Civilian Chores

Infrared Radiation Is Great Detective For U.S. Industry

By SAM DAWSON
AP Business News Analyst
NEW YORK (AP)—A light you cannot see is adding today to its big role in the missile age by finding more civilian chores to do for industry.

It discovers an incipient hot box before a railroad train must grind to a stop and a costly halt. This same infrared radiation checks on the internal wear and tear in machinery parts before they break down. Or it detects potential explosion conditions in oil tanks—in time to save lives.

Infrared radiation is an invisible part of the electromagnetic spectrum. Your eyes can't pick it up, but everything that has molecular movement (and some awfully solid things do) gives it off. Science has learned to measure the rays and record the internal heat they reveal.

In World War II the Sniperscope, with an infrared sighting mechanism made by the Radio Corp. of America let U. S. soldiers look down their rifles and see the whereabouts of enemy soldiers at night while themselves remaining hidden to the naked eye.

Today the Sidewinder, a deadly missile with a guidance system by General Electric, uses infrared to track down an enemy plane. Infrared also goes into the bombsights.

Industry is adapting these military uses for some needs formerly closed to it.

The Servo Corp. of America, New Hyde Park, N. Y., has a Servotherm infrared pyrometer to measure temperatures of objects from a distance. Oil companies can use infrared to check on temperatures in tanks and flow lines. Refineries use infrared devices to make continuous steam analyses in refineries.

The Chesapeake & Ohio and the New York Central use Servo hot box detectors to spot cars with overheated bearings.

Among other companies making infrared devices are Beckman Instruments, Avco Research Laboratories, Perkin-Elmer Corp., Aerojet-General Corp. and Barnes Engineering Co.

Metalworking plants have found infrared a help in testing castings and continuous welds. The atomic industry uses such devices to test materials and their resistance to radiation.

The medical profession is trying them out to determine temperature distribution over the human body. And scientists are using infrared cameras to do the same thing in studying plant life.

Lieutenant Vohden tries on space helmet as Chief Parachute Rigger Walt Salyer checks the helmet valve.

Volunteer Pilot In 'Space' a Day

By ALLEN WINN
Central Press Association Correspondent

SAN DIEGO, Calif.—Another in the tests and experiments the military services are conducting in space travel, this one at the North Island Naval Air Station near San Diego, has produced a significant development.

A volunteer pilot spent 24 hours and 20 minutes, without sleep and with little food, sitting virtually immobile in a space suit inside a chamber with a simulated altitude of 80,000 feet.

It was a record length of time for a man to be under such restraint and such extreme altitude conditions. But the real significance was explained by Lt. Cmdr. W. L. Goldenrath, medical officer in charge of the experiments.

"The results put the medical people ahead of the air frame manufacturers for the first time," he said.

Last year Air Force Lt. Col. Davis Simons remained above 100,000 feet over Minnesota for 22 hours. He was in a sealed gondola suspended from a giant balloon. Inside the capsule-like gondola, which was pressurized, he had relative freedom of movement.

THE NORTH ISLAND experiments were designed to test the endurance of a pilot, wearing a 58-pound pressurized suit, sitting immobile in the cockpit of a theoretical space ship.

Five volunteer pilots drew lots for the sequence tests, each surpassing the last in time. Lt. (jg) William J. Pfister set a mark of 16 hours.

Then Lt. (jg) Arthur F. Vohden, 25, entered the chamber with the intent to remain 24 hours. He did.

The suit was pressurized for an altitude of 35,000 feet. A constant stream of air passed through it at the rate of 20 cubic feet a minute. Vohden's loss of five pounds weight — the chief physical effect

other than fatigue — was due to body fluids being drawn off by this ventilation.

"I got awfully uncomfortable at times," Vohden said. "Not being able to move around was the worst."

Pure oxygen was pumped through the self-sealing helmet.

He ate only a candy bar and sipped fruit juices during his stay in the chamber. Before the tests he selected 12 movies to be shown for him to help fight the need for sleep. He said he watched at least seven of them.

"Twice I got real sleepy, but they woke me right up again. The movies helped, though," he said.

Goldenrath had ordered technicians watching the dials and instruments not to let the pilot doze more than 15 minutes. He said the heart behaves erratically during sleep and "we wouldn't know whether he was sleeping or conking out."

The work of technicians who maintained watch was vital. The atmospheric pressure inside the chamber (80,000 feet) was 4 of a pound per square inch. The pressure inside the suit (35,000 feet) was 3.4 pounds per square inch. If the suit had failed the technicians would have been faced with removing the pilot in seconds.

"LIFE EXPECTANCY above 60,000 feet is between 12 and 15 seconds," Goldenrath said. "If anything should go wrong, we can drop the pressure from 80,000 to 40,000 feet in nine seconds."

The \$7,500 space suit has been under development for 10 years. It has an inner layer of neoprene and an outer layer of lipcord nylon.

Said Goldenrath, "this full-pressure suit is far more advanced than the airplanes we have at the present time. It will operate in a vacuum. It is a true space suit."

Old-Fashioned Hometown Show Used To Open Saxbe Campaign

by ART PARKS
MECHANICSBURG, Ohio (AP)—As modern as "Seventy - six Trombones" and as old-fashioned as a torchlight parade, Atty. Gen. William Saxbe's 1958 election campaign got off the ground Wednesday night in a cloud of dust and a sea of mud.

It was the biggest thing this Champaign County village of 2,000 population has seen—according to one resident — since the Blaine campaign in 1884.

The Republican attorney general, seeking his second term, chose his west-central Ohio hometown as the site of his campaign kickoff. The campaign parade started at his home and cut straight through

to the old fairgrounds northwest of the village.

Midway, 30 torchbearers joined the parade along with a similar number of volunteers carrying red fire. Also three bands.

Along the way, it appeared that every Mechanicshburg resident turned out to watch the parade escorted by young ladies on horseback.

The parade moved at a snail's pace. The dust clouds as the procession moved into the fairgrounds soared above the range of headlights into the murky night.

It was just what Saxbe had hoped for, an old-fashioned political parade on a sweltering summer night.

What did Saxbe say when a crowd estimated at 3,000 finally gathered to listen?

This reporter cannot say firsthand. He got stuck in the mud while trying to make the simple maneuver of turning his car around to allow for a quick getaway after the meeting. By the time the car was freed, the speeches were over.

Ohio Horse Bets Near \$27 Million

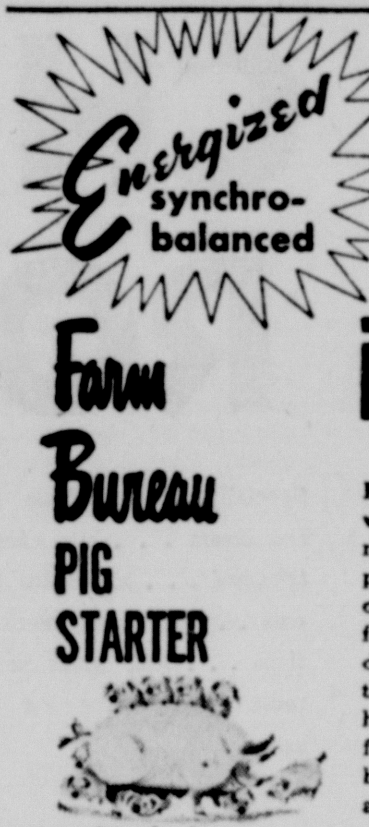

COLUMBUS, Ohio (AP)—Ohioans wagered nearly \$27 million dollars on Ohio horse races last month, State Treasurer Roger W. Tracy reported today.

His report showed a total of \$26,809,234 bet at the various running and harness tracks.

The state received \$1,489,513 from taxes on betting. Another \$133,981 was set aside for the newly created Ohio fair fund.

Buckeye Grid All-Stars Shun Ohio Colleges

Only 21 of 50 Boys Pick State Schools For Fall Enrollment

CANTON, Ohio (AP) — Foreign fields look greenest to the majority of Ohio high schools' all star football players.

Of the 50 players appearing here Saturday night in the 13th annual North-South scholastic contest, only 21 have decided to enroll in Buckeye colleges.

Seven are still undecided but 22 are definitely committed to out-of-state institutions.

Ohio State University gets seven of the players, including five backs, an end and a guard. Nebraska is next with five. Four will attend Cincinnati and three will go to Miami at Oxford.

Out-of-state recruiters did a better job in the north than among the Rebel players. Only six of the upstate squad will attend Ohio colleges while 16 will go over the border. The Rebels will send 15 to Ohio colleges and six abroad.

Here is where they are going, and their weights and all-star assignments, with the symbols "N" for North and "S" for South:

Ohio State—backs Paul Martin, Canton McKinley (185-N), Jack Wallace, Middletown (220-S), Brice Hess, Mt. Vernon (175-S), Bob Lister, Marion Harding (185-N), and Bob Ferguson, Troy (202-S); end George Whitmer, Cincinnati Purcell (190-S), and guard Jerry Harbin, Marion Harding (210-N).

Cincinnati—centers Jerry Bell, Cincinnati Roger Bacon (195-S) and Don Ross, Lancaster (175-S); back Hurdie Phillips, Cincinnati Central (166-S); and guard Tom Reinstatler, Cincinnati Elder (180-S).

Miami—tackle Roger Vorherr, Cincinnati Western Hills (240-S), and quarterback Jack Gerhart, Fairborn (185-S).

Dayton — back Jerry Schmidt, Cincinnati Roger Bacon (170-S).

Akron—guard Owensby Pearson, Akron South (170-N).

Kent State—tackle Bill Kebrdle, Painesville Harvey (196-N).

Muskingum—back Dave Cunnin ham, Steubenville (165-S).

Ohio U.—end Charles Rossiaki Columbus North (170-S).

Ohio Wesleyan—back Del Stumbo, Delaware Olenyang (175-S).

Otterbein—tackle Bob Douglas, Millin (210-S).

Xavier — tackle Mark Kracker, Canton Central Catholic (190-N).

Nebraska—backs Marvin Spencer, Youngstown South (165-N), and Fred Henning, Toledo Devilbiss (175-N); center Bill Slacas, Cleveland East (210-N); tackle Pete Williams, Dayton Chaminade (190-S), and guard Lowell Schweickart, Ironton (200-S).

Notre Dame—back George Sefcik, Cleveland Benedictine (180-N), and end Les Traver, Alliance (190-N).

Michigan State—guard Pete Ka-keila, Toledo Libbey (200-N) and back George Hugas, Steubenville (200-S).

Northwestern—tackle Carl Hilling, Akron Central (200-N) and guard Mike Niciforos Campbell Memorial (185-N).

Indiana — tackle Bob Vecchio, East Cleveland Shaw (206-N).

Purdue — tackle Ron Skufca, Cleveland Benedictine (250-N).

Wisconsin — end Bob Copley, Portsmouth (190-S).

Georgia—backs Dan Kwiatkowski, (197-N) and Mel Shapiro (207-N), both of Toledo Devilbiss, and end Clyde Childers, Massillon (206-N).

Air Force Academy—back Nick Arshinkoff, Akron Garfield, (215-N).

Tennessee State—center Leaman Williamson, Massillon (180-N).

Dartmouth — quarterback Tom King, East Cleveland Shaw (170-N).

Kentucky—back Ted Harless, Harrison (192-S).

Miami, Fla. — guard Charles Foreman, Dayton Fairmont (190-S).

Still to choose their schools are Ivory Benjamin, Massillon back (168-N), Dennis Bynton Sandusky end (185-N), Tom Mingo, Campbell Memorial end (208-N), Dick Fahrney, West Carrollton end (185-S), Joe Grant, Portsmouth guard (190-S), Pat Russ, Cincinnati Roger Bacon tackle (215-S), and Dave Owens, Vandalia center (270-S).

Venturi Facing St. Paul Test

ST. PAUL, Minn. (AP) — Ken Venturi, back at the scene of his first pro triumph, defended a title and a record today in the opening round of the St. Paul Open Golf Tournament.

Venturi faced the challenge of most of the ranking pros on the circuit, including PGA champ Dow Finsterwald, Masters Tiltist Arnold Palmer, Cary Middlecoff, Sam Snead and Bob Rosburg.

They were pegged among the top favorites in the \$25,000 tour-ament was hard to tell which was nament's silver anniversary.

In greater jeopardy, Venturi's title or the record-tying 72-hole score of 266 he shot to earn it last year at Keller Course's par 36-37-72.

Hillsboro Downs Tink's Nine, 3-2

Tink's Tavern was eliminated from the District softball tournament at Ted Lewis Park last night when Hillsboro Sportsmen scored a trio of runs in the sixth inning to down the locals, 3-2.

The hustling Tink's outfit never gave up for a minute in the losing effort. They outbit Hillsboro, 5-4, but missed the opportunity to get a tieing or winning run across.

The game went scoreless until the bottom of the sixth when Hillsboro pushed three runs home. Far from finished, Tink's came back with two markers in the top of the seventh, only to see its upris- ing fall one run short of shoving the game into a deadlock.

Rockhold was the winning pitcher, registering 12 strikeouts and a walking five. Joe Drake worked for Tink's, fanning six and walk- ing three.

BOB Wellington was Tink's hit- ting star of the evening. The south- paw swinger smacked three hits in three trips. Tink's hits were recorded by Hutchinson and Skin- ner.

The only extra base smash of

the game was a double by Gilbert Kittrell of Hillsboro.

In the fielding department, Hills- boro committed three errors and Tink's bobbled twice.

Tonight Hillsboro meets Top Hat to determine which team will play River Oil, champs of the tourna- ment winners' bracket. River Oil captured the top bracket Saturday night by downing Top Hat in a close 2-1 contest.

CHS Grid Hopefuls Slated For Exams Monday, Tuesday

Circleville High School football hopefuls are reminded that prac- tice will start Wednesday.

Coach Tom Bennett has mailed letters to all eligible squad candidates as a reminder that pigskin time is here. The coach emphasized that players should be conducting daily work- outs, mostly sprints, if at all possible.

Physical examinations will be given at 7:30 p. m. Monday in the CHS gym for all seniors, juniors and the following sophomores: Alex Cook, Lloyd Crosby, Don Harden, Mike Johnson, Danny Moffitt, Rupert Rudd, Steve Yost, Harry Strawser, Larry Steinhaus- er and Philip Wing.

Physicals for the other sopho-

mores and all freshmen will be held at 7:30 p. m. Tuesday in the gym.

COACH Bennett said he and his staff hope to issue equipment and assign lockers the same nights that physicals are given.

The CHS mentor also reminded that insurance is required for all participating griders. Players are asked to bring \$6 when reporting for physicks.

Plum Ninowski Picked as Top Browns QBs

HIRAM, Ohio (AP)—The Cleve- land Browns have committed themselves to rookie Jim Ninowski of Michigan State as their No. 2 quarterback, behind Milt Plum.

The step was made even though Ninowski still is in the College All-Stars camp. He has had a brief appearance at the National Foot- ball League club's training camp here, however. Coach Paul Brown held a quarterback school before the training season opened, and was favorably impressed by the rookie's work.

"And Dick Gallagher (assistant coach) had a high report on him from the All Star coaches," said Brown. "So we'll sink or swim with Plum and Ninowski."

For their exhibition game Sat- urday night in Akron with the Pittsburgh Steelers, Plum will do most of the work. Defensive back Bobby Freeman has kept up to date on the Browns' offense, and having been a passed at Auburn, can fill in if needed. He will be Plum's understudy until Ninowski learns the Browns' plays.

The sink or swim decision re- sulted in the release of Jim Haluska, former University of Wis- consin quarterback. He came to the Browns last year on a trade with the Chicago Bears. He had a brief tryout then.

Haluska was not mobile enough to be very impressive in last Sat- urday's scrimmage, while Plum was away on an army reserve assignment.

So Brown decided to let him go while there still was time to try for a job with another club. Ha- luska said he might try for a Cana- dian football job.

Excursion Set To Notre Dame

The football excursion to the Notre Dame—Duke game at South Bend, Ind., will be held October 18, it was announced today by the Notre Dame Alumni Assn. of Columbus.

The excursion will leave by train from Union Station, Columbus, at 6 a. m. on October 18. Excursion officials hope to return at approx- imately midnight the same day.

The excursion will arrive on the Notre Dame campus two hours before the game and leave around 6 p. m. that night. Persons desir- ing tickets are asked to contact J. I. Smith, by phone at 1335 or 1151-G.

All-Star Gridders To Try Outpass, Outrun Pro Lions

CHICAGO (AP)—Using a dou- ble-unit backfield, the College All-Stars will try to outpass and outrun the Detroit Lions Friday night.

That is more than most of the National Football League clubs could do last year.

It is such a tall order the odds- makers think the All-Stars won't come within 13 points of winning. The pro kings will be shooting

for their 16th decision in the se- ries. Their last defeat came when the Cleveland Browns lost 30-27 in 1955.

The ex-collegians have seven victories. Two games were tied. Otto Graham, All-Stars' head coach for the first time, knows he can't show the Lions anything they haven't seen before except new faces.

"We have a good All-Star squad but the trick is not to make too many mistakes," said Graham, who may decide he has enough manpower to relay plays to his quarterbacks in the manner of Paul Brown, his old Cleveland coach.

"We aren't naive enough to think the Lions will make many mistakes. If they do, it will be one of those breaks that might balance the game in our favor. We know we'll have trouble if the Lions feel like playing and want to win."

Graham's two-unit backfield system will be the offense. One set will be led by quarterback King Hill of Rice and include Walt Kowalczyk of Michigan State at fullback and Jim Pace of Michi- gan and Dick Christy of North Carolina State at halfback.

The other unit will have Jim Ninowski of Michigan State as quarterback, fullback Jim Taylor of Louisiana State, and Bob Mitch- ell of Illinois and Phil King of Vanderbilt at the halves.

Seldom have the All-Stars had such fine break-away runners as Mitchell, Pace and Len Lyles of Louisville, the 1957 top collegiate scorer with 132 points.

They have power and speed in such runners as John Sample of Maryland State and Kowalczyk. They have exceptional passers in Hill, Tom Forrestal of Navy and Ninowski.

In addition to the fleet halfbacks they have outstanding receivers at end—such as Fred Dugan of Day- ton, Jim Gibbons of Iowa, Bob Jewett of Michigan State and Tom Schulte of East Kentucky State.

All this plus a line that could average 234 pounds from tackle to tackle.

All-Star Tilt Is Saturday

North-South All-Star grid game will be played in Canton Sat- urday night instead of Friday night as previously reported.

The annual struggle will in- volve the cream of Ohio high school football of last season, both the North and the South squads are loaded with talent for the Saturday night encounter.

On hand for the game will be Circleville grid coach Tom Ben- nett and some members of his staff. The CHS mentor has been in Canton this week attending the Ohio High School Football Clinic, a prelude to Saturday night's All-Star game.

Several CHS players and fans plan to leave here Saturday to attend the grid test.

Lady Golfers Prepping for Tourney

Flight pairings have been com- pleted for the Ladies Golf Tourna- ment at the Pickaway Country Club.

The tourney will be played un- der championship, first, second and third flights. Approximately 32 lady golfers are expected to participate in the annual matches.

Championship pairings are: Mary Carpenter and Edna Tim- mons; Miriam Adkins and Helen McGuire; Erma Hedges and Bette Fraser; Edith Gordon and Peg Mason.

First Flight—Stella O'Hara and Mary Lou Vaughn; Bette Plum- mer and Grace Fraser; June Fuhrman and Clara Burton; Tillie Smith and Virgie Van Camp.

SECOND Flight — Ellen Powell and Vi Ridlon; Sue Spires and Ruth Montellus; Hester Weldon and Dee Zehner; Betty Harrod and Dorothy Smith.

Third Flight — Norma Drenan and Dorothy Shadley; Elsie Ed- strom and Sarah Monson; Rita Heiskell and Ann Eddy; Fran Chelikowsky and Miriam Barnhart.

Ashville Club Planning Show On Sunday

The Ashville Riding Club will sponsor a horse show Sunday at the club grounds on Route 752. Ac- tivity begins at 12 noon.

The afternoon will feature a Jack Pot Show to include 16 races and classes of competition. The events are:

Spotted horse, clover leaf race, stock horse, western chil- dren's horsemanship (16-years and under), calf roping, plain horse (Palominos included), scoop race, western open pony class (56 inches and under), egg and spoon race, ladies western, stake bend, steer decorating, open western pleasure, pick up race, flag race and trail race.

Refreshments will be served on the grounds. The public is invited. Further information on the show may be obtained from Forrest Klamfth, Groveport, or Emerson Brown, Ashville.

Lady Bowlers Set Tuesday Meeting

Local women bowlers will hold a meeting at 8 p. m. Tuesday in Circle D Recreation, E. Main St. Lady bowlers desiring to join a league are invited to attend.

Those Stumbling Reds Keep Leading Milwaukee in Black

By THE ASSOCIATED PRESS
The Reds are keeping the Mil- waukee Braves in the black in that National League pennant race.

After losing a two-game series at Pittsburgh, the Braves got well again at Cincinnati Wednesday night, sweeping the Redlegs 9-2 and 4-2 in a two-night double- header. That gave the world champs, who were 18-4 against the Reds last season, a 10-3 record against Cincinnati and a 5½-game lead over the pesky Pirates, who outlasted Philadelphia 10-9.

The Bucs now have won seven in a row — their longest success story since 1949, when they won eight straight.

Third-place San Francisco rapped St. Louis 11-2, and Los

Angels escaped the cellar (while Cincinnati tumbled in) by beating the Chicago Cubs 6-5 in the other NL games.

A pair of solo, sixth-inning home runs by Ed Mathews and Andy Pafko bagged the nightcap for the Braves as Lew Burdette won his 12th with a six-hitter. Starter Alex Kellner gave up both blows for the loss.

Joe Adcock's two-run 15th hom- er put the opener out of reach in a three-run first inning against Joe Nuxhall (9-9). The Braves then made it a rout with six in the eighth with winning pitcher Juan Pizarro and Pafko each hit- ting two-run singles.

The Pirates rushed to a 6-0 lead in two innings on a pair of two-run homers by Bob Clemente and Bill Mazeroski's one-on shot off loser Jack Meyer (1-6). Ted Klus- zewski hit two doubles and a triple.

Bob Smith won his first, in re- lief, but Vern Law had to get the final out after the Phils, who closed the gap on a pair of pinch- hit, three-run homers by Rip Re- pulski and Bob Bowman, scored another three in the ninth, two on Willie Jones' homer.

Rookie Jim Davenport, Valmy Thomas and Willie Mays hom- ered for seven San Francisco runs while Ruben Gomez won his sev- enth with an eight-hitter. Wilmer Mizell (8-8) lost it.

The Dodgers, blowing a 5-0 lead, finally made it with one out in the ninth when Don Zimmer singled and Elmer Valo followed with a pinch double off losing re- liever Don Elston (7-7). Fred Kipp (5-4) won it in relief.

A couple of paties had them- selves a ball Wednesday night in the American League.

The Washington Senators, who hadn't beaten Whitey Ford in al- most four years, rapped the New York Yankees' stubby southpaw ace but good in a five-run eighth for a 9-4 victory.

And the Baltimore Orioles, who had lost seven in a row to Frank Sullivan of Boston, beat the big right-hander for the first time

since Sept. 9, 1956 with a 2-1 vic- tory over the Red Sox.

These turn-outs cut the Yan- kees' lead to 14½ games over sec- ond-place Chicago and dumped Boston into a third-place tie with Detroit. The White Sox split a two- night pair with Kansas City, win- ning 6-5 after an 11-inning 2-1 de- feat. The Tigers swept two from Cleveland 6-2 and 3-2.

Ford, now 14-6, last lost to Washington Sept. 20, 1954. He had won 12 in a row since, three this year. Roy Sievers, the defending champ, tied Mickey Mantle for the AL lead with his 33rd home run, a two-run shot in the fourth.

Eddie Yost and Clint Courtney also homered for the Nats. Court- ney's also was a two-run blow, capping the big eighth that bagged it after Norm Siebern and Hank Bauer had hit successive homers for a 4-3 Yankee lead in the sixth. Truman Clevenger (7-8) won it in relief.

Gene Woodling drove in both Orioles runs, breaking up a 1-1 tie with a single in the fifth. Arnie Portocarrero (12-7) made it five straight over Boston with Billy O'Dell's relief help.

Harry Simpson's home run won the opener for the A's, ending Dick Donovan's winning string at six. Ned Garver won his 10th with a seven-hitter, although walking six.

The White Sox nailed the night- cap with two out in the ninth on Billy Goodman's bases-loaded sin- gle off losing reliever Bob Grim. Bob Shaw won it in relief after the A's chased Jim Wilson in a five-run fourth capped by Roger Maris' grand-slam home run.

Herb Moford allowed only three hits in the nightcap at Cleveland. He gave up a home run to Vic Power and a double and RBI triple to Rocky Colavito, the In- dian outfielder who worked three hitless, shutout innings of relief in his pitching debut. Coot Veal's sacrifice fly tagged Hoyt Wilhelm with his sixth defeat in the sev- enth inning.

The Tigers took the opener with seven consecutive hits in a five- right-fifth inning.

Dawson Sent To Ohio Pen

Richard E. "Sonny" Dawson, 342 E. Mill St., was today sentenced in Pickaway County Common Pleas Court to the Ohio State Penitentiary, Columbus, for one to 20 years for breaking his parole.

Two other criminal cases were also disposed of today by Judge William Ammer.

Dawson was accused and found guilty of breaking parole by issuing a forged and counterfeit check to Gene Lindsey, 119 Collins Court. The check was in the amount of \$16.

In passing sentence, Judge Ammer told Dawson that his court and that of Judge William D. Radcliff, his predecessor, had "bent over backwards" to give Dawson every available chance possible under the law.

"Regardless of this, Dawson, who was released in late spring from the County Jail, issued this check on June 11," said Ammer. Judge Ammer stated that Dawson had also issued more than 20 checks with insufficient funds that had been later picked up and paid by relatives.

DAWSON thanked everyone who had tried to help him with his problems and said he appreciated it, even though he hadn't shown it. He has previously served time in the Mansfield Reformatory for a similar offense.

John W. Heeter waived extradition and will be returned to law enforcement officials in Walworth County, Wisconsin. He is wanted there for non-support.

James Allen Turner, Columbus, was placed on three years probation after pleading guilty to grand larceny. On April 1, 1956, Turner stole one round bumper jack, one spare tire and wheel, pair of roller skates, and a jacket, all valued at \$114.

He was recently released from Mansfield Reformatory after serving 28 months. He was ordered to obtain a job and remain out of the county during his probationary period.

Minor Cases In Muny Court

Four cases appeared before acting Circleville Municipal Judge Lemuel B. Weldon this morning.

Ralph E. Zwyer, 22, Route 4, was fined \$10 and costs for driving a motor vehicle left of the center line. He was arrested by the Sheriff's Department.

Henry Butts, 56, Route 1, Williamsport, received a suspended \$10 fine and costs for disorderly conduct. Franklin M. Glitt, 38, Ashville, was fined \$5 and costs for failing to halt at a stop sign. Both arrests were made by the City Police.

John T. Wright, 18, 307 E. Franklin St., received a fine of \$10 and costs for failure to stop for a red traffic signal. Arrest was made by the Ohio State Patrol.

Arthur Massie, 32, RFD, Mt. Sterling, received a suspended \$50 fine and costs and was placed on six months probation for assault and battery. The affidavit was

Stock Mart Heads for Higher Level

NEW YORK (AP) — The stock market snapped out of the doldrums today, and prices headed higher in early afternoon on stepped-up trading.

Traders still were seeking low-priced stocks and specialties. There was an unusually large number of sizable blocks.

The market appeared to be headed for the first three-million share day since last week.

Gains were mostly fractions to a point. Losses were generally small.

Motors, steels, oils and rails worked higher. Metals and aircrafts were ragged.

American Motors was heavily traded and up almost a point at a new 1958 peak. Studebaker Packard hit the tape with blocks of 10,000 and 20,000 shares near midday and rose about 1/4.

Some of the recent favorites which rose fractions included J. I. Case, Loew's and Minute Maid.

Point gainers were Merck Murray and Republic Steel.

Up 1/2 or so were Youngstown Sheet & Tube, Philco, Air Reduction, Erie Railroad, Chesapeake & Ohio and New York Central.

Main casualty was U.S. Freight, which slid around three points.

U.S. Gypsum declined a point or so.

U.S. government bonds were lower.

Woman Injured In Two-Car Accident on 23

One person was injured yesterday at 12:10 p. m. in a two-car accident which occurred three miles south on U. S. Route 23.

Mrs. Mary Rice, 60, Detroit, Mich., was treated at Berger Hospital for right arm and side injuries. She was a passenger in an automobile driven by Lloyd W. Duncan, 37, Detroit, Mich.

The accident occurred when an auto driven by Junior L. Denny, 16, 951 S. Pickaway St., was traveling south at approximately 75 miles per hour when he came upon two cars traveling in the same direction and was unable to avoid hitting them.

He therefore passed the two cars by driving 543 feet in the ditch on the left hand side of the southerly lane on Route 23. He then entered the highway again and traveling 48 feet before the Duncan auto struck Denny's car in the right side.

The Duncan auto suffered frontal damage and the Denny car received right side damage. Investigation officer, Deputy Sheriff Robert Hoover, said charges will probably be filed against Denny in Pickaway County Juvenile Court.

signed by Massie's wife. Sheriff's Department made the apprehension.

Turkey has frequently changed the name of its major cities. Constantinople was changed to Istanbul; Smyrna to Izmir; Brusa to Bursa; and Angora, the capital, was changed to Ankara.

Ricky Nelson, at 18, Famed Singer, Actor and Musician

By ARMAND ARCHERD
Central Press Association
Correspondent

HOLLYWOOD—There's only one way to describe Ricky Nelson, the most phenomenal success in show business since Elvis Presley, and that's to quote his 22-year-old brother, Dave, who is a millionaire in his own right: "Ricky's not safe walking down the street — the fans would tear him to shreds. I know—I've seen it almost happen."

This pleasant state of success existed before Ricky Nelson completed his first big film, "Rio Bravo." What will happen when the faint-hearted young felines see Nelson in rugged western attire is anyone's guess. We wish him good luck — and a fast horse to escape the posse of pulchritude.

In Rio Bravo, Nelson also is joined by a couple of popular fellows: John Wayne, a non-singing cowboy, and a saloon-singer turned cowboy, Dean Martin. Both Wayne and Martin are veterans of the business. However, neither can boast the current following of young Nelson.

Young Rick perhaps more resembles a teenage version of the Gary Cooper-ish cowboy, than the Wayne variety. He's shy, even beyond the "yup" and "nope" stage. He went western all the way during the "Rio Bravo" filming in Tucson—bought himself his first horse. Since he's still on allowance from poppa, he had to get the dough from QZzie to buy the critter!

"Don't get them wrong, though," Ricky quickly defended his folk. "I don't think my parents have ever been too strict with Dave or me. We have very few rules at our house."

THE EARNINGS of both Dave and Ricky (they could retire now and live comfortably for the rest of their lives) were placed in irrevocable trust funds from the day they started working on the original radio show. Dave came into a portion of his at the age of 21.

DISMISSALS
Mrs. Eugene Russell, 126 Pinckney St.
Kennedy Dewey, 215 N. Washington St.
Russell Herron, 457 Watt St.
Isabell Bailey, 531 1/2 E. Union St.

In the new movie Rio Bravo Ricky Nelson (left) chats with another cowpoke, none other than the Duke, himself—John Wayne.

Ricky will do likewise. Meanwhile, he gets an allowance.

Rick (his real name's Eric Hilliard Nelson) at 18 is a vet of 10 years in radio, television, records and movie-making. He didn't move into the bigtime of public adoration until April of 1957 when he unveiled his Presley-like talents via a record, "I'm Walkin'". Backed with "Teenager's Romance."

Since then Rick has also waxed such musical money-makers (Mozart would never dig these tunes!) as "Be-Bop Baby," "Have I Told You Lately That I Love You?", "Stood Up," "Waitin' in School," "My Bucket's Got a Hole in It," and "I Believe What You Say."

The singing career was his own decision but poppa Ozzie was quick to see the success, fostered it via the television shows: Soon, the success which the impish little boy had attained also matured as he expanded into a six-foot-tall, handsome guy.

Rick, who had always had a complete set of drums in his lavish quarters at the Nelson mansion, also learned to play a guitar—and well. He was now in a new business, the business in which his folk started their careers.

Thirty years ago, Ozzie Nelson, a graduate of Rutgers law school, started a successful dance band at the Glen Island casino in New York. He soon was broadcasting coast-to-coast and selling records like proverbial hotcakes (78 rpm, of course, in those days). Harriet (Hilliard) Nelson started on Broadway at the age of 16. Thus the success of her youngsters in their teens is not surprising!

It's ironic that following the success of Rick on records, Ozzie

Business Briefs

Dudley J. Carpenter, general manager, John W. Eshelman & Sons, will be among 84 registrants from 19 states who will be enrolled in Ohio State University's fourth annual Executive Development Program, opening a 14-day session Sunday, Aug. 24, on the campus.

Sponsored by the university's College of Commerce and Administration in cooperation with the Ohio Manufacturers Assn., the program is designed to develop attitudes and skills demanded of executives in policy-level positions.

Carpenter will be enrolled for the second-year session of the program. Executives completing the second-year session will receive certificates at ceremonies in Columbus on Sept. 6.

Seminar sessions will be taught by commerce college faculty members, and classes will meet in the Ohio Union.

Long Poles Used To Grab Stinker

KANSAS CITY (AP) — Sgt. Ed Leahy of the sheriff's patrol had no trouble keeping the crowd at a distance, but he definitely needed help.

"Stop by a grocery and get a big box — and get a big stick or something and run him in the box," the order came over his car's radio. "And haul him out in the country," headquarters added as an after thought.

Finally, Wayside Waifs, Inc., a humane society was called.

Using a net and chloroform — both on long poles — society workers removed a sick skunk from under a bush in a residential area and carted it away.

Autumn begins Sept. 23 at 8:10 p. m. (EDT) when the sun stands directly over the equator at a point about 1,000 miles south of Dakar, French West Africa.

Legal Move Made To Free Dr. Sheppard

COLUMBUS, Ohio (AP)—Attorneys for Dr. Samuel H. Sheppard, convicted Cleveland wife-slayer, asked the Ohio Supreme Court today to release him from Ohio Penitentiary today on a writ of habeas corpus.

Attorneys William J. Corrigan and Fred W. Garmone of Cleveland filed the petition. They claimed Sheppard is serving a life sentence in violation of his constitutional rights and due process of law.

The petition asserted authorities in charge of the Sheppard prosecution concealed and suppressed material evidence beneficial to Sheppard.

The petition also claimed that scientific research and other evidence obtained after Sheppard's conviction proves him innocent. Sheppard "did not have a fair and impartial trial" the petition also set forth.

Garmone said counsel planned to take testimony from a number of witnesses to support their claims. He declined to elaborate. Sheppard was convicted of second degree murder of his wife Marilyn on the morning of July 4, 1954, in their Bay Village home beside Lake Erie west of Cleveland.

Attorneys for Sheppard fought his conviction through the highest courts. The Ohio Supreme Court affirmed lower courts in a 5-2 decision. The United States Supreme Court refused to consider an appeal.

Sheppard was a practicing osteopath at the time of his wife's slaying. He has had various duties in the penitentiary since entering there, and now is a nurse in the prison hospital.

New Citizens

MASTER RODGERS

Mr. and Mrs. Roy Rodgers, Route 1, are the parents of a son born at 12:24 a. m. yesterday in Berger Hospital.

Foot Injury Treated
